

# NEWS ON THE FARM

26<sup>th</sup> February, 2021

This week with the dry weather has seen us enjoying our outdoor space even more than usual, in fact we had to create a few puddles for jumping in!!

## U2s Room - Peppa Pig, Farm Animals and Sensory Activities

In the Under 2's room this week we have been enjoying Peppa Pig stories.

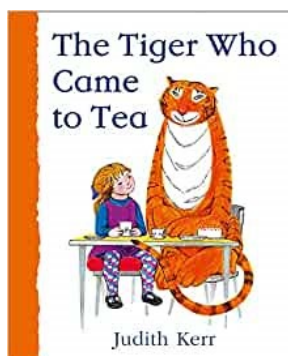

Children have had farm animals to play with and have been learning all the noises that they make.

Sensory activities this week have included handling a variety of textures, making cakes and biscuits and exploring outside.

We have also made pictures using a range of resources and glue. . . and as always there was a lot of singing and dancing!

## 02s Room - The Tiger Who Came to Tea, Textures and Potato Hunts!

In the Over 2's room the featured story has been The Tiger Who Came to Tea. Children have been holding tea parties and recalling aspects of the story, as well as baking tiger biscuits.

We have also had a range of textures available for children to explore - like rice and water which have been poured, shared and handled using small containers.

In the garden we have had potato hunts. Once found, the potatoes have been rolled to friends down the slope or slides, re-hidden or dug into the soil!

# World Book Day

Next week we will be celebrating World Book, by sharing children's favourite books as well as our own favourite stories too...

The fruit with a star inside it... is an apple.
