

Welcome Letter & Happy New Year

January 2021

Welcome and Happy New Year

We are delighted to welcome our new manager Sachini Gamage to our setting. Sachini has worked with children for 3 years, in day nurseries, a SEN school, primary schools and a Montessori Nursery. Her qualifications include an Early Childhood Studies degree and AIM Montessori Ethos. She has recently moved to the area and is looking forward to greeting you all in the coming days and weeks.

In the under 2's room this week adults and children come together to sing songs, say rhymes and talk about familiar subjects. It is already becoming a very popular part of the day.

The older children are thinking about the world around them and learning about recycling this week. They have been noticing the differences in textures between plastic and cardboard and thinking about what things are made of. They have been sorting objects based on materials and are encouraged to talk and explain about their choices. Everyone has been using scissors this week and has had the opportunity to make models.

May we ask that if any of you are celebrating any festivals or special times at home, we would like to hear about them. We are keen to celebrate and help children learn about a range of customs and traditions.

We all send our good wishes for 2021.
