

NEWS ON THE FARM

19th March, 2021

We have enjoyed participating in Red Nose Day today and yesterday. In our circle times, we have encouraged children to talk about what they are wearing. Kirsty and Rosena started a discussion about some of the ways that Comic Relief helps and supports people.

Thank you for your donations, we will let you know exactly how much we will donate in the newsletter next week.

U2s Room - "The Gruffalo" & St Patrick's Day.

This week, the featured story has been "The Gruffalo." Children have had a range of tactile resources available that have featured a different colour each day for them to handle, pour and make patterns with.

On St Patrick's Day, the colour was green and you may have been given a decorated shamrock decorated with sand and other materials.

The children continue to enjoy songs particularly action songs and join in readily.

O2s Room - "Pants" & Red Nose-and-spoon Races!

The featured story this week is "pants". It is a simple story with lots of rhyme and is very popular. Children have been counting real pants, learning positional language by holding pants above their heads, behind their backs and many other positions. We have also sorted pants by colour. Paper pants have been decorated with a range patterns and resources. The pants fun will continue into next week with more activities.

The plastic tuff-spots have featured resources for pouring and handling this week. We have been lucky with blue skies for our red nose-and-spoon races. They were great fun and children and grown-ups laughed a lot!

Fire Drill

We have had a fire drill this week in Nursery as we are legally required to do. It was a planned practice and children took the opportunity to splash in the puddles on the way back from the meeting point.

Team News

We are celebrating that Sachini our manager has now been with us for 3 months. Sachini has thrown herself into every aspect of Nursery life. She has quickly become very familiar with all children that are in our care. We are looking forward to the coming months with Sachini leading the way.

We are pleased that Sonia has joined our admin team. Sonia has experience of working in childcare settings before joining the team at Munns Farm. You may see her on the desk in the mornings.

We have to say goodbye and good luck to Jo from the under 2's room. Jo has been a very conscientious member of our team and has welcomed many families to Munns. She has a very kind and gentle manner with children.

Helena is also leaving us. She has been a valued part of our team and she takes with her our very best wishes for the next chapter in her life.

Contact Details / Photo Permission

Please may we ask that if any of your contact details change that you inform us?

We are also hoping to feature as many children as possible in photos in the newsletters. If you don't wish your child to appear please let us know as soon as possible.

Wishing you a happy weekend, from all of us at Munns!
